

Long-Range Networking for Surveillance

Wireless PtMP and PtP links provide a perfect wireless surveillance solution for remote storehouses, construction sites, mining sites, logging sites, and more. Omada Long-Range Outdoor Access Points, an important member of Omada Software-Defined Networking (SDN), provide PtMP and PtP links and are ideal for hundreds of meters to multi-kilometer long-distance wireless data transmissions, saving wiring costs for your network.

Control Center

Remote Locations

Recommended Scenarios	Multiple 2K+ cameras in remote locations over 500 meters	Multiple 2K+ cameras in remote locations within 1 km	Multiple HD cameras in remote locations
Model	EAP215-Bridge KIT	EAP211-Bridge KIT	EAP115-Bridge KIT
Frequency	5 GHz		
Max Wireless Speed*	867 Mbps	867 Mbps	300 Mbps
Max Transmission Distance*	5 km+	1 km+	5 km+
Weatherproof Enclosure	IP65		
Lightning Protection	6 kV		
Ethernet Ports	3× Gigabit	3× Gigabit	3× 10/100 Mbps
Power Supply Method	Passive PoE and DC		
Centralized Management	Omada; Cloud Access; Omada App		
Operating Temperature	-40°C~70°C (-40°F~158°F);		

*Maximum wireless signal rates are the physical rates derived from IEEE Standard 802.11 specifications. The max ranges of products are tested in real outdoor environments. Actual range and throughput are not guaranteed and will vary as a result of network conditions, and depend on the transmission power and environmental factors such as wireless interference, obstacles, weather, etc.

Centralized Multi-Site Management

Control the whole network in multiple sites on a single interface from anywhere with Omada SDN platform. Cut down on your maintenance costs and vastly improve your network efficiency.

Auto-Pairing

Automatically establishes a network when a gateway is configured and access points are powered on, avoiding complex setups.

Waterproof & Dustproof & 6KV Lightning Protection

An IP65-rated waterproof and dustproof case with 6KV lightning protection fully protects your network data from prolonged exposure outdoors.

Three Gigabit/FE Ports for Multiple Cameras

Provide wired connections to more IP cameras, easing the burden of complex device deployment.

Up to 5 km Transmission Distance (Vary from Models)

Eliminates the limitations of traditional cable transmission distance. Ideal for multi-kilometer long-distance wireless data transmissions, saving wiring costs for your network.

Agile LEDs for Quick Deployment

Flexibly adjust your wireless bridges' position and angle following the LED signal strength displays for optimal reception after auto-pairing.

Flexible DC + Passive PoE Power Supply

Supports both 12V DC and Passive PoE for versatile deployment. Compatibility with TP-Link Solar Power Supply also adds an eco-friendly and flexible energy option.

Stable Long-Range Video Transmission

Up to 867 Mbps Wi-Fi speed ensures video monitoring is smooth and clear.

TP-Link Omada Deserves Your Trust

We are available for you — call, email, chat, and visit the community with your pre-sales, post-sales, and installation questions.

- ✓ Localization Support Teams
- ✓ Official Omada Community
- ✓ Dedicated Omada Support
- ✓ Certification and Training

Vertical Integration and Stable Supply

- ✓ A Genuine Manufacturer with vertically integrated supporting facilities ensures complete quality, cost control, and high-level manufacturing, enabling better value than traditional OEM's
- ✓ Controls the cycle time and improves production efficiency
- ✓ Local warehouse for sufficient local stocks and fast delivery*

*Applicable to the US region and may vary between regions/countries.

- ✓ 2-Year Product Warranty for outdoor bridges in the US region* Warranties

*Applicable to Omada outdoor bridge products in the US region. Go to <https://www.tp-link.com/us/support/replacement-warranty/> for details. Warranty may vary between regions/countries.

A Best-In-Class Total Value

- ✓ A Best-In-Class Total Value means reliable industry-standard solutions, comprehensive services, better support, and competitive pricing
- ✓ World's No. 1 Wi-Fi Product Provider for 12 consecutive years*
- ✓ Over 20 years of product testing and manufacturing have built our hard-earned reputation for reliability
