		C280 Product Information		
Product Name		Web Camera		
Orientation		High Level	Planned time to market	Sep-20
Features				
1	2K for sharp and clear images			
	2K(4MP) computer camera with full high-definition lens can intelligently adjust its frame rate and resolution according to ambient light, supplying true-to-life video even in dim lighting conditions.			
2	Camera with privacy cover			
	A camera with a privacy cover can cover the lens when the lens is not used to protect privacy.			
3	Built-in omni-directional microphone			
	Built-in omni-directional microphone makes sound purer and clearer during voice chat.			
4	Wide-angle lens			
	90° super wide-angle lens creates a more wide image for more viewing details.			
5	Flexible rotation			
	360° horizontal rotation allows for the upper and lower viewing angles to be freely adjusted within a specific angle to meet most needs.			
6	USB plug and play, no drivers required			
	Plug and play, no drivers required, compatible with most of current operation systems.			
*All product outward appearance, the color take the material object as, the picture only supply the reference.				
Charging Base specification				
Product dimension (W×H mm)		92*62.5*54.1mm	Package dimension (L×W×H mm)	126*60*118mm
(Carton) Carton Dimensions (Length×width×Height mm)		518*316*500mm	Packing quantity(Pcs)	80
Product weight(g)		118	Packing weight (g)	180
Material		ABS	USB cable length	1.5M
Input		USB-A		
Output				
Image sensor		FHD WEBCAM 2K 4MP CMOS Sensor	Capture screen	2560*1440/1280*720/640*480.....
Frame rate		Up to VGA 30 FPS	Field of ViewFOV(D/H/V)	85°/77°/46°±5%
Video Encoding		MJPEG	Interface	USB2.0, USB1.1 compatible
Auto Light Correction		Yes	Built-in Mics	Double Noise Canceling Mic.s
Attention		Do not disassemble this product. Do not use this product in hot, cold, dusty or humid environments. Do not touch the lens with hands, sharp objects or rough objects. Please wipe with a clean soft cloth. Try not to throw this product, in order to avoid lens damage, camera failure or surface scratches."		
Color		Black	Packaging Type	Color Box
Others				
System Requirements		Windows7/8/10 or above, Mac OS X 10.6 or above,Chrome OS,and Android v5.0 or above		
Compatible Software		Skype,Zoom,Google Hangouts,Face Time for Mac,QQ,WeiXin.....		
Package contents		webcam,Quick start guide		
Warranty		One-year warranty		
Remark		/
